**FINDING**

There being a finding/verdict of **GUILTY**, defendant has been convicted as charged of the offense(s) of:  
**Receipt of Child Pornography in violation of 18 U.S.C. § 2252A(a)(2)(A), 18 U.S.C. § 2252A(b)(1) as charged in Count One of the Indictment**

**JUDGMENT  
AND PROB/  
COMM  
ORDER**

The Court asked whether there was any reason why judgment should not be pronounced. Because no sufficient cause to the contrary was shown, or appeared to the Court, the Court adjudged the defendant guilty as charged and convicted and ordered that: Pursuant to the Sentencing Reform Act of 1984, it is the judgment of the Court that the defendant is hereby committed to the custody of the Bureau of Prisons to be imprisoned for a term of:

**FIFTEEN (15) YEARS** in case #2:17CR00451-SVW and **FIVE YEARS** in case #2:04CR00950-SVW, to run concurrent to term imposed in case #2:17CR00451-SVW.

Upon release from imprisonment the defendant is placed on supervised release a term of seven years under the same terms and conditions as previously imposed in case #2:04CR00950-SVW (see attached Judgment & Commitment Order), with the following modifications:

1. The defendant shall comply with the rules and regulations of the United States Probation Office and General Order 05-02, with the exception of Conditions 5, 6, and 14 of that order.
2. As directed by the probation officer, the defendant shall notify specific persons and organizations of specific risks and shall permit the probation officer to confirm the defendant's compliance with such requirement and to make such notifications.
3. Within three (3) days of release from prison, the defendant shall register as a sex offender, and keep the registration current, in each jurisdiction where resides, where he is an employee, and where he is a student, to the extent the registration procedures have been established in each jurisdiction. When registering for the first time, the defendant shall also register in the jurisdiction in which the conviction occurred if different from jurisdiction of residence. The defendant shall provide proof of registration to the Probation Officer within 48 hours of registration.
4. The offender shall participate for a period of up to 12 months in a Location Monitoring program and will be monitored via GPS. The offender will participate in the tracking portion of the program and there will not be any restrictions in reference to his schedule. Offender will be required to submit to routine inspections of the monitoring equipment by the Location Monitoring officer and be required to charge the GPS tracker twice per day, for a minimum of one hour each time.

5. The offender shall not enter any library or other location with public internet access without prior approval of the Probation Officer.

Pursuant to Guideline § 5E1.2(a), all fines are waived as the Court finds that the defendant has established that he is unable to pay and is not likely to become able to pay any fine.

The defendant is informed of his rights on appeal.

The Court recommends to the Bureau of Prisons that, if eligible, the defendant be allowed to participate in the SOMP Program.

The remaining count in 2:17-cr-00451-SVW is dismissed.

Restitution to be determined.

In addition to the special conditions of supervision imposed above, it is hereby ordered that the Standard Conditions of Probation and Supervised Release within this judgment be imposed. The Court may change the conditions of supervision, reduce or extend the period of supervision, and at any time during the supervision period or within the maximum period permitted by law, may issue a warrant and revoke supervision for a violation occurring during the supervision period.
